

Arts & Crafts

The last Arts & Crafts Exhibition took place in October 2007 and was widely acclaimed at the time as the best yet...

Unfortunately changes in my work area and more recently, my health, has impacted on me and limited the time and effort to run the event effectively in recent years. However, I am hoping over the next few weeks to see what interest there would be to run the Arts & Crafts event later this year (September-November) depending on authorisation from the Director to do so... I am considering that this could encompass the wider Harwell campus – Once again the preference would be to use the Conference rooms 12 & 13 R68. Watch this space for dates, announcements etc.

There are no funds for this Group.
