

RAL Music Club

The RAL Music Club provides facilities, equipment and instruments for its members to use.

Membership entitles you to use the music room in R58 for practice or lessons at any time during the week or weekend and to use the instruments and equipment made available by the Music Club and its members.

We have piano lessons on Tuesdays and there are a number of musicians who get together for a jam during lunch, as well as a variety of musicians and bands that practice on a regular basis.

Party.

Periodically we hold live music/open mic nights in the R58 lounge, where club members can perform to other music club and RecSoc members, and the RecSoc occasionally arranges events which club members can perform at, such as the Christmas

We also maintain a list of members, so can easily put you in contact with other musicians on site, if you want to join a band or just meet up to practice together.

In recent years the Music Club has organised RAL MaDFest, a family music and dance festival held on the sports field, with numerous bands & buskers, dance troupes, science displays and demos, food & drinks vendors, local artisans and free kids entertainments.

For more information on the Music Club please see our section in the RecSoc Annual Report or contact one of the Club Officers listed below.
