

RAL Photography Group

Report for the Rec Soc AGM, 16th April 2019

Chairman: David Hooper
Treasurer: Duncan Russell
Secretary: Brian Ritchie

The group currently consists of 11 paid-up members and has £198 in its accounts. The primary activity is to meet once a month, in one of the RAL conference rooms, to show and to discuss photographs. The club occasionally organises photographic walks around the RAL site. Only paid-up members are entitled to show photographs at meetings, but anyone may attend and join in the discussions. All aspects of photography are considered, including techniques, equipment, and aesthetics. A different theme is chosen for each of the monthly meetings. A list of themes used over the past 12 months is given below.

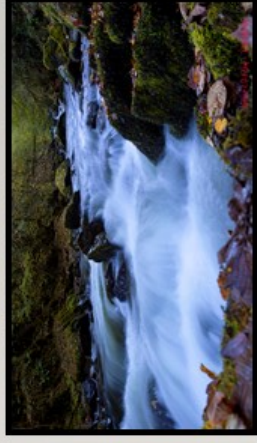

April	Mask/Face/Disguise
May	Shape/Pattern/Abstract
June	Before, During, After
July	International/Alien/Visitor
August	outside walk combined with Wellbeing
September	Rambling/Wandering/Exploring
October	An accidental photograph/The wrong trousers
November	Face/Mask/Disguise
December	no meeting
January	Light/Dark
February	no set theme
March	In/Out/Shake It All About
April	Time/Book/Books/Booking

Examples of images shown at these meetings are now available through in.focus at <https://staff.stfc.ac.uk/people/rec/RAL/clubs/photo/Pages/default.aspx>. Moreover, the RAL Library is currently hosting a display of images taken by club members in their Exhibition area – **see overleaf**. This will continue until the end of April 2019. The Library is also posting some of these images to its Twitter feed: <https://twitter.com/DLRALLibs>.

Finally, the photographic skills of members of the club have contributed in a wide variety of ways to broader RAL, STFC, and ESA activities over the past year. These include:

- ECSAT Memories of 2018 exhibition
- ISIS Annual Review
- RAL Health and Wellbeing Wildlife Rambles
- RAL Space newsletter and Twitter feed
- RAL Talking Science lecture programme
- Scientific Computing Department website and Twitter feed
- STFC National Photowalk
